

Translations

We make the world understandable...

Who are we?

- ⌘ Our company began in Argentina and it is now rising high above the world as we are growing and expanding into the global marketplace.
- ⌘ We are experts in delivering the highest quality translation and localization jobs from and into English, Brazilian Portuguese, Italian and French into Spanish (in all of its varieties) and English into Brazilian Portuguese - at the best rates.
- ⌘ SMS TRANSLATIONS is a young company of professional translators who, at the end of 2001, decided to join forces in order to maximize resources.
- ⌘ All members of the team are university-trained and accredited linguists. All have gained experience in particular fields. Our translators have professional backgrounds in their areas of expertise.
- ⌘ We have established a solid network of translators around the world to be able to offer a comprehensive language service, comprised of almost all languages and major dialects, and we work for you 24 hours a day, 365 days a year.

What can we do for you?

- ⌘ We offer a complete language solution to companies and agencies that need documents translated, proofread, edited, localized or published in any print.
- ⌘ We use the latest Computer Aided Translation (CAT) tools to help our human professional linguists and editors.
- ⌘ Additionally, we work with expert and professional Graphic Designers and Desktop Publishers.
- ⌘ We are in close contact with our clients, keep a strict control of the quality of our translations, and are in the position to offer highly **competitive** rates.

Specialization

- ⌘ Today's world calls for linguists to be knowledgeable in specialty areas.
- ⌘ We are highly focused when it comes to expertise and specialization issues. We always match up the specialty area of your project with the expertise of our translators.
- ⌘ Whatever the field our translators are working in, such as Law, Medicine, Technology, Financial Services Industry, Automotive, Business/Commerce, Literary translation, Pharmaceutical Industry, Engineering, Software Localization, ERP/SAP, Food and Agriculture marketplace, Fashion, Tourism, Education, Social Sciences, New Media or Psychology among others, we match your project with the team that is best suited to carry it out.

Confidentiality

- ⌘ We understand your concern with confidentiality. Rest assured we take every necessary step to protect the privacy of your information.
