Linguistic experiences

English - Danish

I have a total of 40+ years of experience in this combination. I've experience as a teacher, writer and part-time translator.

I have a fair command of French and German too.

Formal education

Institutions

Tietgenskolen, Odense (Tietgen Business College, Odense)

Various IT-studies 1988 – 1990 (number systems, descriptive tools, programming, systems architecture, project work (draft for a business administration system))

Odense Teknikum (Engineering College, Odense)

Machine engineering, studies from Aug/1980 – Dec/1982 (physics, chemistry, technical drawing, metallurgy, project work (heat-producing windmills), economics, statics, mathematics)

Skårup Statsseminarium (Teacher Training College, Skårup, Fyn)

Teacher training college, special studies in Danish.

Aug/1965 – July/1970

Supplementary courses etc.

French, VUC Odense, Higher Preparatory Examination, A-level – June 2010

Cambridge Certificate of Proficiency in English, A-level – June 1978

English Literature, studies at Odense University 1978 – 1979

Occupations

University of Southern Denmark.

IT-supporter, head of it-department and it-consultant from:

Feb/1992 – Dec/2008

Other than it-related work I've done various informational and instructional material for students and teachers at the faculty. The majority of these texts were written based on English material, which was translated in pars or in toto and used for doing manuals and/or reference materials in either print or published on the net.
